OUR SERVICES

From the simplest slide projector to complex video projection, to concert sound and stage lighting, Alliance Audio Visual offers you the finest professional meeting, convention, and trade show services. We provide you with direct access to a wide range of equipment, all of it in perfect operating condition. We will assist you in equipment selection, choosing exactly the right systems for the situation. As members of your meeting team, we will conserve your valuable time. We routinely double check both our planning and our equipment ensuring you of no last minute surprises.

PROFESSIONAL TECHNICAL ASSISTANCE

We employ experienced and professional technicians trained in all aspects of projection, video, audio and lighting. If you have extensive or specialized audio visual needs, a professional technician is generally recommended. If you would like the services of a technician to be assigned and dedicated to work with you, we will be glad to make the arrangements in advance of your event.

EQUIPMENT INSTALLATION

We understand the meaning of excellence in service. We include the safety tape down of cables, additional power cords and the prompt pack-up and removal of equipment at the conclusion of your event. Depending upon the nature, extent or the quantity of your specific requirements, an additional charge may be applied for set-up or pretesting of specialized equipment.
